

CALL FOR CONFERENCE TOPICS & SPEAKERS!

As part of our planning for the upcoming National Government Ethics Conference, which will be held in Orlando, Florida, September 16-19, 2008, we are inviting all ethics officials to submit ideas for this year's conference agenda. This solicitation is separate from the series of brief surveys you may have already received; the first of which focused on compliance plus and the second of which focused on leadership.

With this call for conference topics and speakers, you have an opportunity to make this a successful conference by sharing your experiences and expertise. So, we'd like you to submit an idea for a session that you would like to see at this year's conference. It can be a repeat of past sessions; but, please try to be as detailed as possible when submitting your request and include suggested speaker(s) as well.

To make this process easy, we have developed a fillable form for you to complete and submit directly to us. To access the form click on the following link:

https://www.formrouter.net/education1@USOGE/Conf_Topic%20Proposal_Form.pdf

We need to receive all conference session ideas by March 17, 2008. If you have any questions, please contact Teresa Weakley at (202) 482-9283 or tlweakle@oge.gov.

Thanks for the excellent feedback we've already received. With your input we know we can build on our past successful conferences.

Teresa Weakley
Office of Government Ethics
